## WHY SYGIC ?

***Plan your trip itinerary  
and travel with ease. Find  
the best sights, tours,  
hotels and more. With  
offline maps and  
navigation in your phone.***

---

## TRIP PLANNING PROCESS

---

- pick the destination
- 
- choose the transportation
- plan duration, and accommodations
- make a general outline of places to visit
- creating a schedule on the trip
- budgeting money.

Problems that could arise in planning a trip could be unforeseen circumstances such as ...

- accidents
- family issues
- emergencies.

There could also be problems with ...

- airlines
- other transportation
- authorities.

## PROS

- a wide variety of options for transportation, accommodations, and attractions.
- The website is very user friendly and visually appealing. It is easy to put together a trip and add new options to it.

## CONS

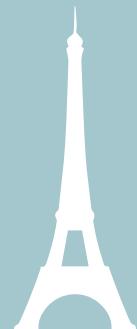

- some places, or smaller businesses such as family owned restaurants and local fare are not as prominently featured as the more expensive tourist restaurants.

---

***The website can be improved by integrating social media such as instagram and facebook, so that users can post photos from their trip.***
